

Addis Hash Calls On the Trail

*On! On!* - only to be shouted when following true trail *Are you?* - where on earth is the trail?

*On In!*

- home at last and beer!

*Mind the crops!*

- watch where you're putting your big feet.

*On Up!*

- who laid this trail-for mountain goats?

*On Down* -

am I going to die going down the side of this mountain?

*Checking!*

- no, I'm not on paper.

And the best one of all

*On In!*

- the hare's torturing will stop soon and beer is near!
