Transportation is provided for those without.<br /><br />We are a Family Hash: we welcome locals and expatriates, young and old, female and male, runners and walkers. We follow a paper trail laid in the morning by 'hares'. The group from about 40-60 runners and walkers, from a pool numbering over 400. The run (and a shorter trail for walkers) takes about 60-75 minutes. It is followed by a circle to welcome newcomers and returnees, usually returning to Addis Ababa by 6.30pm (asra-hulet takul). The cost is 30 birr, while newcomers pay a first-time fee of 70 birr. We use this money to subsidise drinks and special events. Further info: +251-911-206908.</p>
